1=March	<input style="width:100%; height:15px;" type="text"/>
1=April	<input style="width:100%; height:15px;" type="text"/>
1=May	<input style="width:100%; height:15px;" type="text"/>
1=June	<input style="width:100%; height:15px;" type="text"/>
1=July	<input style="width:100%; height:15px;" type="text"/>
1=August	<input style="width:100%; height:15px;" type="text"/>
1=September	<input style="width:100%; height:15px;" type="text"/>
1=October	<input style="width:100%; height:15px;" type="text"/>
1=November	<input style="width:100%; height:15px;" type="text"/>
1=December	<input style="width:100%; height:15px;" type="text"/>

COVERED INDIVIDUAL (#2)

(a) First name ..

(a) Last name ..

(b) ID number (SSN or TIN)....

(d) 1=covered all 12 months ...

(e) Months of coverage:

1=November 2017	<input style="width:100%; height:15px;" type="text"/>
1=December 2017	<input style="width:100%; height:15px;" type="text"/>
1=January	<input style="width:100%; height:15px;" type="text"/>
1=February	<input style="width:100%; height:15px;" type="text"/>
1=March	<input style="width:100%; height:15px;" type="text"/>
1=April	<input style="width:100%; height:15px;" type="text"/>
1=May	<input style="width:100%; height:15px;" type="text"/>
1=June	<input style="width:100%; height:15px;" type="text"/>
1=July	<input style="width:100%; height:15px;" type="text"/>
1=August	<input style="width:100%; height:15px;" type="text"/>
1=September	<input style="width:100%; height:15px;" type="text"/>
1=October	<input style="width:100%; height:15px;" type="text"/>
1=November	<input style="width:100%; height:15px;" type="text"/>
1=December	<input style="width:100%; height:15px;" type="text"/>

COVERED INDIVIDUAL (#3)

(a) First name ..

(a) Last name ..

(b) ID number (SSN or TIN)....

(d) 1=covered all 12 months ...

(e) Months of coverage:

1=November 2017	<input style="width:100%; height:15px;" type="text"/>
1=December 2017	<input style="width:100%; height:15px;" type="text"/>
1=January	<input style="width:100%; height:15px;" type="text"/>
1=February	<input style="width:100%; height:15px;" type="text"/>
1=March	<input style="width:100%; height:15px;" type="text"/>
1=April	<input style="width:100%; height:15px;" type="text"/>
1=May	<input style="width:100%; height:15px;" type="text"/>
1=June	<input style="width:100%; height:15px;" type="text"/>
1=July	<input style="width:100%; height:15px;" type="text"/>
1=August	<input style="width:100%; height:15px;" type="text"/>
1=September	<input style="width:100%; height:15px;" type="text"/>
1=October	<input style="width:100%; height:15px;" type="text"/>
1=November	<input style="width:100%; height:15px;" type="text"/>
1=December	<input style="width:100%; height:15px;" type="text"/>

COVERED INDIVIDUAL (#4)

(a) First name ..

(a) Last name ..

(b) ID number (SSN or TIN)....

(d) 1=covered all 12 months ...

(e) Months of coverage:

1=November 2017	<input style="width:100%; height:15px;" type="text"/>
1=December 2017	<input style="width:100%; height:15px;" type="text"/>
1=January	<input style="width:100%; height:15px;" type="text"/>
1=February	<input style="width:100%; height:15px;" type="text"/>
1=March	<input style="width:100%; height:15px;" type="text"/>
1=April	<input style="width:100%; height:15px;" type="text"/>
1=May	<input style="width:100%; height:15px;" type="text"/>
1=June	<input style="width:100%; height:15px;" type="text"/>
1=July	<input style="width:100%; height:15px;" type="text"/>
1=August	<input style="width:100%; height:15px;" type="text"/>
1=September	<input style="width:100%; height:15px;" type="text"/>
1=October	<input style="width:100%; height:15px;" type="text"/>
1=November	<input style="width:100%; height:15px;" type="text"/>
1=December	<input style="width:100%; height:15px;" type="text"/>
